The decimal numbers in the chart show tenths, hundredths and thousandths. Follow the four steps below to write the word name for each number.

Step 1 Write the number to the left of the decimal point. It names the whole part of the number.

Step 2 Write "and" for the decimal point.

Step 3 Write the number to the right of the decimal point.

Step 4 Write the place name of the last decimal digit. This completes the fraction part of the number.
